Costa de la Luz, San Roque

Tucked away on the golf side of the prestigious San Roque Club, this beautifully refurbished garden apartment unfolds like a private retreat—where luxury living meets effortless outdoor elegance. As you arrive, a sense of space and calm immediately sets the tone. Set within an expansive 1,000 m² private plot, the apartment feels more like a villa than a garden home, offering privacy, greenery, and a seamless connection to nature. Inside, the property has been thoughtfully modernised to a high standard, blending contemporary comfort with timeless style. The generous 160 m² interior flows naturally into a 45 m² conservatory, a light-filled space that invites year-round living—perfect for relaxed mornings or evenings spent entertaining friends. The home offers three spacious bedrooms, each designed as a sanctuary, complemented by three sleek, modern bathrooms that add both comfort and convenience for family and guests alike. Step outside and the story truly comes to life. The landscaped gardens frame a private swimming pool and jacuzzi, creating a resort-like atmosphere in the privacy of your own home. An elegant covered seating area provides shade and comfort, while the fully equipped outdoor BBQ kitchen sets the scene for long lunches, sunset dinners, and unforgettable gatherings. Everyday practicality has been carefully considered. The apartment benefits from lift access, two private parking spaces, and a large storeroom, while the added bonus of community fees paid until 2027 offers peace of mind from day one. Located within one of southern Spain's most celebrated golf resorts, residents enjoy direct access to championship courses, a secure and tranquil environment, and a lifestyle defined by quality, space, and exclusivity. This is more than an apartment—it's a turnkey lifestyle in one of the Costa del Sol's most sought-after enclaves. Whether as a full-time residence or a luxurious holiday escape, this San Roque Club home delivers elegance, comfort, and enduring appeal.
